

EXAMPLE SAMPLE TRANSMITTAL DOCUMENT

Dear April Miller:

Thank you for submitting your Screened Chemistry for Commodity Chemicals Application.

The Unique Order Number (UON) for this application and related samples is:

UON: 20190310001

Please use this UON on all correspondence regarding this application and group of samples.

This document is your Sample Transmittal for delivery and tracking of these commodity chemical samples for the Screened Chemistry Program.

Next steps for the SC for CC process for the commodity chemicals listed on your application and this transmittal are as follows:

1. Please review the information in Section II and Section III of this Transmittal.
2. Please take a sample of each commodity chemical from each chemical supplier on site at your facility **and label each sample container** with the sample number for each commodity chemical noted in Section II of your Application and this Transmittal.
3. Please use the attached Sample Preparation and Shipping Guidelines for correct preparation of Commodity Chemical Samples for Shipping to NimkarTek Technical Services Pvt Ltd.
4. Please be sure to include a copy of this Transmittal with completed declarations in the box with the samples for shipping.
5. Please process payment of the invoice from Scivera immediately using your preferred method of payment from the available options presented on the invoice.

Screened Chemistry testing, scoring, and certification will not begin until payment is received by Scivera for the work.

6. Please contact Scivera on screenedchemistry@scivera.com if you have any questions about the process.
